Visit of the delegation from MingMed Biotechnology Co., Ltd. and Beyond Ventures

On 25 April 2025, a delegation from MingMed Biotechnology Co. Ltd. and Beyond Ventures visited the School of Biomedical Sciences (SBS) and the School of Pharmacy (SOP). The delegation was led by Dr. Fred Ouyang, Chief Technology Officer of MingMed, and Ms. Floria Chan, Senior Vice President of Beyond Ventures. The delegates were warmly received by Prof. Alfred S.L. Cheng, Assistant Dean (Research), and colleagues in both Schools.

The visit fostered productive discussions between our colleagues and MingMed, a company specializing in novel drug discovery and development, to strengthen mutual understanding and explore synergistic collaborative opportunities.
